Re: Michael Thompson and Heather Thompson
Case No. 25-10380

Greetings:

Please let this letter serve as a request for adjournment of the upcoming April 28, 2025 confirmation hearing, due to a scheduling conflict. I have been unable to communicate with counsel for Debtor relative to our objection. So, while I would expect a plan amendment here that would address our objection, I cannot represent to the Court that I anticipate one will be forthcoming.

Thank you for your time and willingness to accommodate our request.

Sincerely,

/s/ Attorney Justin J. Bates
